

Dear Friend,

It's that time of year again when we display the new fireworks that you haven't seen before and some of the oldies but goodies. Just as a reminder, bring a friend, sit back, and enjoy the demonstration.

To make your viewing experience more enjoyable, we suggest you bring the following items:

- Flashlight
- Pencil or Pen
- Demo Sheets (enclosed)
- Food & Drink vendors on the premises
- Folding Chairs or blankets to sit on
- Warm clothing or appropriate for the weather

Your Demo Sheet are for you to use, so feel free to mark what you like and don't like, as it will help you later when you place your order. **Something new:** you may pick up your catalog in the showroom on Demo Night or anytime after May 10th. If you would like a catalog sooner, please download it from our web site www.fireworksbydonnora.com.

We provide portable toilets and loud speakers so you can easily hear the descriptions and item numbers for a night of enjoyment. To make it easier this year, we will not announce the item number. We will announce the shooting order number starting with number one and the description. We will continue in this manner to the end of the list. If you need extra demo sheets, you can pick them up in the showroom at any time.

Don't forget to mark this date on your calendar:

Fireworks by Donnora Demo Night
Saturday, May 10th, 2008
Rain Date: Sunday, May 11th, 2008

Please, feel free to call 1-866-833-3135, 570-833-2222 if you have any questions.

For driving directions, go to our web site and download driving directions or just give us a call.

This year, the showroom will be open before, during and after the demonstration.

We're mixing things up to make it easier for you to shop and get a jump start on the good items.

Looking forward to seeing you there,

Rebecca Robinson
