

Welcome to the **Sixth Annual Demo Night on May 14th at 9 PM or Dusk** (Rain Date: May 15th). For your convenience, you may buy by the case or purchase one item out of any case before and/or after the demo.

Catalogs area available at the demo or you may pick up a catalog in the showroom any time after May 14th. You may also download a catalog from our web site at **www.fireworksbydonnora.com**.

We have available free information packets for obtaining state or local permits for our PA customers. Just pick up the packet when you come in or download from our web site at **www.fireworksbydonnora.com**.

Remember, out-of-state residents do not need a permit to buy. So don't worry about not having a permit before getting your fireworks. PA residents need a permit to purchase and display Class C fireworks. The exception is PA legal fireworks (Safe & Sane – sparklers, novelty, smoke). We have some local permits so check with us to see if we have a signed permit for your area. If you need one sooner, let us know and we'll mail the information to you. Note: *Out of state residents need a valid out-of-state drivers license but do not need a permit!*

For Demo Night this year, we will begin by having a 20 min to ½ hour show for the local kiddies & adults so bring a friend, sit back and enjoy. To make your viewing experience enjoyable, we suggest you bring the following items:

- Flashlight
- Pencil or Pen
- Demo Sheet (enclosed)
- Food & Ice Cream Vendors on premises
- Folding Chairs or blankets to sit on
- Warm clothing or appropriate for the weather

Your Demo Sheet is for you to use, so feel free to mark what you like and don't like, as it will help you later when you place your order. We have also provided an area for additional notes.

We provide a pc system so you can hear what are being shot by number (ex: 1, 2, 3, 4....) and portable toilets for a night of enjoyment.

Don't forget to mark this date on your calendar:
